

LoA Camp Song

Everytime that I think
There're so many countries
There're so many people
There're so many friends
Still to meet.

I would like
You and me
Being together,
Having fun
And learning
Like a family (twice)

LoA the better way
To make new friends
To know about each other so well COME
This is Europe take it on your hands
This is gonna be ok (It's gonna be ok, It's gonna be ok)
Feeling Europe Feeling so well
Our Dream, Our Camp
It's gonna be ok
